“ *Hayley, I was very sorry to hear about the passing of your Dad. I only met him once very briefly and he was very nice to me. I hope that you and your family will remember the special times you had together and know that he is in a better place. You'll all be together again one day. Take care and I'll always do anything I can for you if you need it -*

“ I worked with Richard at Liberty Auto and enjoyed every moment around him. It wasn't like a job it was more like just visiting a friend every day. Nancy I am so very sorry for your loss. I work with the Boy Scouts now and was shocked when I received the first memorial and it was for the gentlest man I have known. He will be missed by everyone that had the honor of knowing him.

“ We extend our deepest sympathies to the entire family. I worked with Gray Communicstions Consultants for many years and always admired Richard's business sense and enjoyed seeing him on his visits to our office.

Robert met him through Gray and also through another business. Although we had not seen him in several years, it was only a couple of weeks ago that we spoke of Richard. God grant you peace and comfort at this time.

“ *My Dear Sweet Hayley,
I want you to know that your family has blessed me in so many ways throughout the last years with your concern for my well -being, and today I share the same concern for you. I just want to thank you for being part of my life. You are truly amazing, I consider myself honored to be your friend. I have realized throughout life that out of suffering and pain, somehow the strongest souls emerge. This is so true of you. I know Richard and Nancy were encouraged by your daily presence, I am sure he is bragging about you in Heaven. I know you made him the proudest dad on earth.
I have never known a young mother of 2 small children to devote such compassion, courage, devotion, time, and love to care/be with her sick Dad. You have stayed on the road from Florida to Georgia for months. But nevertheless managed to be a devoted, caring loving mother and wife.
The heart has its own memory and I hope that in his memory you will discover the rich legacy he has left you and find comfort.*

*Your courage is an inspiration to all, God bless you and yours,

“ Dear Nancy,

Life can be the same after a trinket has been lost, but never after the loss of a treasure. We know that Richard was surely a great treasure.

*May your days be gentle resting in the love of Christ,

“ Richard was a very good man and hearing about his passing was very sad. He was my half/brother and lived in Albany and I lived in Bowie Maryland. Due to this distance ,we were not able to get together very often. He will be missed by many relatives and friends.
