“ So many memories with Mr.C but one stands out, my dad worked evening and graveyard shift so he couldn't teach me to play baseball but Mr. C taught me and encouraged me and ended up making try outs and picked up by little league Twins. So many other great memories I could share but this is just one.

I knew Richard for many years. When his office was downtown I would go by and just sit and talk. Mostly we discussed dogs, he was an avid dog lover and a truly wonderful human being. I am so lucky to have known him
