“ *I just wanted to give you my condolences for the lost of your loved one. We have all lost a loved one in death and during this trivial time it can be very hard to endure. One way that I was able to find comfort was through God's word the Bible. God makes a promise to us that at Revelation 21:4 no more pain, sickness, or death will be anymore. God is not a lie so we know that his promise will come true for all. If you have anymore questions please go to www.watchtower.org for more information.*
