“ Ricky,

I am so sorry to hear about the loss of your dad. You and your family and your family are in my thoughts and prayers. He was a great guy. He took care of me when I was in a bad car accident in 1990. I recognized him when I woke up in the ambulance and felt so much better with him there. When I said his name, he realized I was a friend of your and he held my hand all the way to the hospital. You never forget thins like that.
