I know it's been a little while now, and although I did not know about your father's passing until recently, I would like for you and your mom to know that you are both in my thoughts and I hope that if there is anything I can do please let me know. I love you both...*

“ *My deepest sympathy to the Bryan family. I got to know Riley, by playing golf with him at Grand Island. He was a very nice man, and a pleasure to be with. He always seemed to have such a positive attitude, and a warm smile.*

Most Sincerely,

Chris Anderson

“ Mike, so sorry to hear of your father's passing. I was really shocked because i saw your mother and father at the subway in Leesburg Monday at lunch. I spoke with him for several minutes and talked about playing golf with you, him and George Wiers. I liked your dad, when i read the obits, Wed. night I was saddened for you and your family, even though I had only known him for a short time. When I saw him Monday we talked about playing golf. In case you don't remember me we played last year at Stonebridge with Jack Duren and in the same flight. Deepest sympathy to you and your family. Richard
