“ I could not be there in person for the celebration of Riley's life, but we celebrated while she was with you, and grieve because she left you. I do thank God that you had the wonderful blessing of knowing her even for a short while and you both will be in our thoughts and prayers for as long as you need them. Love you. “ My thoughts and prayers have been with all of you since Baby Riley's birth. I don't know your pain since I've not experienced it but my heart still hurts for you. I know that Uncle Wayne is glad she is there with him to celebrate his birthday today - I'm sure she made a little extra sunshine for him.

I love your family dearly!
