“ *We have thought about you so much over these past weeks. Bob is truly missed here in the Northwest by us. We didn't get to see him often, but the times we did were great. We send you all our love and we hope that you will know that you are in our thoughts and prayers.*

“ I have known Bob since I became a Mason in 1981. He will forever be in my memory as a cheerful and happy person, who always had a kind word and a pat on the back. He will be greatly missed.

“ 2000 characters wouldn't even scratch the surface. I lost a great friend in him. Cherish what you have, and if you love them, tell them. Often.

“ We will miss Uncle Bob, but we have to remember he is having alot of fun now with the rest of the family. We will all be together again one day when we are called home.

“ *My Daddy touched many lives in so many wonderful ways, and by donating his body to science, many more will be blessed. I thank all who prayed, visited and called, during his times of recuperation, then repeated the same during the time of his trip "Home". We did not "lose" him, we know exactly where he is!!*

“ *BLESSINGS-Because God placed Bob in our lives, Lessons in love and faith we saw, Examples we cherish and will never forget, Smiles so warm I can see right now, Sacrifices Bob made for everyone, In health and sickness the strength God gave, Now Bob is rejoicing with his Father at home, Golden streets, loved ones, happiness forever.*

Thanks for the wonderful memories, we love all the family.

“ I would like to express my sympathy for the passing of Mr. Banks. I worked with him at Turner Job Corps Center and really thought a lot of him. He was one of the kindest persons I've ever known. I found out about his passing through the newspaper just today. May God Bless You. I know you will miss him.

“ If there was a picture in Webster's Dictionary of a Southern Gentleman, Uncle Robert's would be there. He has always been a role model for me. When my dad, his brother, died, he was one of my pillars of strength. Heaven has received another Saint with his homegoing.
