“ *I met Mr. Turnipseed over 33 years ago when we worked together on flooring jobs. He became my friend and we have shared some wonderful memories. He always took time to check on me and my family and we truly loved him. Richard and I thought so much of him and we were always glad to see his smile and enjoy visits from him. We are proud to have been a part of his life and will miss him so very much. Our prayers are with his family.*

“ I am so sorry for your loss. I got to know Bob when he put new flooring in my home. He was very kind and compassionate to us as my husband was battling cancer at the time. My prayers are with you and your family.
