“ Uncle Bob was the "fun" uncle and was very special to me and my family. I have so many happy memories of him, one of which is that he took my sisters and me to the State Fair shortly after he and Aunt Ronnie married. I was in his and Ronnie's wedding, which at age 12, was to me like being in the wedding of a prince and princess! Ronnie was like my big sister, and I love Leslie, Rob, Frank, and Kevin as my own. Love to all of you from me, Alan, Warren, and Wesley.

“ *I only met your Dad a few times, but each time it was like seeing a good friend. He loved watching his grandchildren in whatever events they were participating.  
But my first encounter with Mr. Brooks was when he purchased a cotton picker from me. And although he was involved in an accident that caused significant damage on the picker when it was being transported home, there was never any question about the integrity of this deal, or his check, or the man behind them. He was just that kind of man. He left quite a legacy! And he be greatly missed by all who were fortunate enough to know him.*

*Many prayers and love to all the family.*

“ This is to all the family of Ronnie and Bobby. I have always loved your mom and dad. I was a bridesmaid in their wedding and all the family gave Ronnie to Bobby with love. I was with your mom when she picked out her wedding dress in Atlanta with Rosa Kate my mom who was the third child.

*I am so sorry that I will be unable to be with you this week, but I send my love and prayers to each and every one of your family.*

“ *What I will remember most about Uncle Bobby is his laugh! He would start to tell a really funny true story but before he could finish he would start laughing knowing that the funny punch line was coming. Often times someone else would have to complete the story as he would be doubled over in laughter and could barely breathe he was laughing soo hard. This very thing occured the last time I saw him which was here in our home in Stockbridge when we had a Family Reunion on July4th. 2014. I will miss you but will take comfort in remembering all the happy memories of being with you, Aunt Ronnie, your children and grandchildren. Luv, Luv, Luv you. Niece, Dana Dasher Clark*
