“ *Our hearts and prayers go out to the family. Sandy and I both worked with Bob for many years at P&G. He was quite a unique and unforgettable character!*

“ *Unfortunately, I did not know Bob for very long or very well. I did know him to be a very caring friend to those in need. He was a friend who would stand beside you even if he knew you were wrong and defend you whole-heartedly if he believed you were right. He spoke of his family often with such love and admiration for his daughters and grandchildren. Bob, you will truly be missed but never forgotten.*

*Sorrowfully,
Kabookie*
