“ *Rob was a great guy. I didn't get to know him until after high school when he was dating a friend of mine, and he was really good natured and friendly. I most recently ran into him and Trish at the Fair this past year. I'm sorry to hear of his passing and will pray for his family and their loss.*

“ Rob is a great American that defended our country and we all are truly grateful. We hung out together at Riverview Academy and our class graduated 40 so we were a close group, especially the football players. There are alot of memories. Rob was a big and strong man and he had a good heart and would always be there for you, an infectious smile and laugh, and a soft demeanor. I will miss him and prayers for his family.
