“ *Dear Dickens' Family,
Words cannot describe how shocked and saddened I was when I learned of Robby's death. Although it has been over 10 years since I have talked to Robby or his family, the memories of our friendship will be with me forever. When I think about Robby I recall his laugh, his smile, his thoughtfulness and his love for life. My thoughts and prayers will be with his son Kenny, and the entire Dickens family. I still live in Albany. I would like the entire family to know that I am available if anyone should need any help or would like to share any thoughts. Again, my deepest sympathies.

“ To Robby's Family:

Robby and I went to Riverview together and played football for 2 years. I am terribly sorry to hear of his passing. As times go on, you sometimes loose touch with people. I regret that I lost touch with him, but considered him a good friend. I regret I was unable to attend the services. I was out of town when I heard about the services. Please accept my deepest regets.

“ Dear Mrs. Dale and Jimmy:
I am so very sorry about Robby. I hope you will let God comfort you and heal you in the days to come. May He give you strength. I will keep you all in my thoughts and prayers.
If you don't mind, I'd like to share a couple of sweet memories. I will always know Robby as part of Jimmy-n-Robby better known to me as BoBO-n-BoBo....who knows where that came from. My other sweet memory is that in my teen years. I had no date for my first high school dance-Robby took me. In a way he was my first date...There are certain people who touch our lives and the Dickens family is certainly one of those. Again, I am so sorry for the sadness you must be feeling. I know he is in a better place.

“ To hear of your loss makes me owe so sad,
To Dale a Loving Son
To Jimmy a Dear Brother
And to Little Kenny a Terrific Dad.

*Days will come and days will go
I know your hearts ache
You don't want to let go*

*Don't ever forget all the good times you shared
The smiles, laughs and tears
Will remain in your hearts
Throughout the years*
