

Robert Duval Ellington

November 13, 1929 - August 20, 2021

Born November 13, 1929 to Ruth Dixon Ellington and Lewis Duval Ellington in Blackshear, Georgia. He excelled at academics and sports, especially basketball, and graduated from Blackshear High School. He joined the Air Force and was stationed in Japan. He served for several years, always patriotic saying that the Air Force did far more for him than he ever did for the Air Force. Following military service, he moved to Atlanta to attend Southern College of Pharmacy. He excelled at chemistry and held the office of President of his collegiate Pharmacy Honor Society. He met his beautiful wife of 64 years, Betty Lynn Barrow, in Atlanta when she walked in to her neighborhood pharmacy. She was introduced to the handsome young intern, and they were married in Atlanta in March of 1957. They moved to Albany, Georgia for him to begin work with Albany Drug Company. He was a loving and dedicated father to children Frederick, Angela, and Robert. They took many memorable vacations as a family. He had a sense of adventure and a natural interest in exploring new places - camping , amusement parks, and historical sites. He was proud to have visited every state in the USA. He was a devoted husband; he and wife Betty loved traveling and had some memorable trips. He was a conscientious, hardworking business owner. He owned Plaza Pharmacy and Northside Pharmacy in Albany, Georgia, and many years later Thrift Center Pharmacy in Camilla, Georgia. He provided the best service for his customers, and it was common to get calls nights and weekends to fill an emergency prescription. At the end of his pharmacy career, he worked for

several years at the Lee County Correctional Institute as a Pharmacist. In addition to his family, his other true love was the game of golf that he played 3 times per week at Radium Country Club. He was known to bust overhead lights in the living room in his attempt to perfect his swing. Later in life, when unable to play the game, he loved to watch the Golf Channel and every televised tournament. He especially loved to discuss the game with his grandsons, who also love the game.

He will be missed by his family and friends who will treasure wonderful memories. A man of deep faith, he was a member of Porterfield United Methodist and the Key Sunday School Class.

He is preceded in death by parents Lewis Duval Ellington and Ruth Dixon Ellington, as well as granddaughter, Leah Ellington Pope.

He is survived by his wife of sixty-four years, Betty Lynn. Son Frederick and wife Marcia of Marietta, Georgia, daughter Angela Pope and husband Mark of Dacula, Georgia, and son Robert and wife Sala of Leesburg, Georgia. Brother Larry Ellington and wife Pat, St. Simons Island. “ As a teenager my first job was working at Northside Pharmacy with Mr. Ellington. He was a great boss and we all enjoyed his sense of humor. As a matter of fact, I still have a Christmas card from him with the \$2.00 bill that he signed “Scrooge”. I remember Betty Lynn and his children. I am sad to hear of his passing and know he will be missed. RIP

“ I have fond memories of Mr. Bob, and Dad taking me and Angela golfing with them at Radium Country Club. She and I got to take turns driving the golf cart.
I also have sweet memories of practically living at the Ellington home. It was like a second home to me. Mr. Bob was always kind and caring. He was also a great husband and father, and he will be greatly missed!

Betty, Freddy, Angela, Robert and other family members: Even though I can't be there with you, my thoughts and prayers are certainly there with you! I love all of you dearly and cherish all of the memories that I have of the many happy times that we had during the 22 1/2 years that we lived on Murray Hill Lane. We always said that we were like family, and, what a surprise it was when I discovered that Bob and I were cousins through my Mother's Duval/Ellington lineage! Bob was a fine man and will be missed by many!
