“ *AnnEarl, Greg, and Rita,*
We are saddened by the passing of Mr. Bobby as he was a good man, husband, Father, and friend. For several years we have missed his warm smile and kind words at the Harley Dealership where his love of motorcycling was share by everyone. I know he relished the times that he spent "in the wind" with his wonderful son Greg and loving "daughter" Rita and all the rest of his friends in the Flint River Harley Owner's Group. We will all miss him very much. Thanks Mr. Bobby for being a part of our lives. Ride Free! Love Beth and Fred Smith

“ Anne Earl and Family,

So sorry to hear of your loss. My prayers are with you as you go through this terrible time. Having lost my wife in 1984, My heart really is hurting for you. I know that words and thoughts really don't help overcome the pain and hurt you feel inside. It was only through my faith and prayers that got me through those times. Just know, when you don't feel like praying, others are praying for you, asking our Lord to give you the strength, love, and compassion that no one else can.

With our deepest sympathy,

Buddy and Laurie Lipsey
