“ *My sincere condolences to the Langstaff family. He was a giant of a man with many many accomplishments, the most important being raising fine children. It has been a privilege to know the Langstaffs and the associated families for many years. I hope your grief is very temporary.*

“ *Susan, I am deeply sorry for your loss. I fondly remember your dad from my days at Oxford Construction Company. He would scare me to death when he'd call the office until I learned how much he enjoyed that. When I met him, he was so gracious and so easy to laugh. My thoughts are with you and your family.*

“ I am so sorry that you are having to go through this at this time. My heart is broken too. I am so grateful for Mr. Langstaff giving me the opportunity to come and work for him 20 years ago. He gave me a chance to prove myself, and I am so thankful for that opportunity. I too will dearly miss him. Please know that you all are in my thoughts and prayers.

“ In 1967, as a new bride I came with my husband to Albany. I went to work at Perry, Walters, Langstaff & Lippitt. That was where I first knew Bob. He was absolutely the sweetest and most gentlemanly person. Years later, through my company, Bob represented us and I got to see him again. I am so sad to hear about his passing. I know he will be missed...he was always larger than life. My deepest sympathy to you all.
