“ We can look to Bob as an excellent role model for all, young and old. A faithful champion of the Holy Rosary, with tender devotion to the Immaculate Heart of Mary and the Sacred heart of Jesus in addition to being an unfailing patriot are reasons why Bob was cherished by so many. If all families had patriarchs like Bob Miksad, the world would be a wonderful place.

“ RIP Uncle Bobby. I was fortunate to have met Bob while he was up in Yonkers. I didn't know him like the rest of the family did, but he sure made me feel welcome when I met him. I'll never forget that. Much love to you Aunt Betty. You now have a guardian angel. I'm so glad to hear that he went peacefully and without pain. God bless his entire family.❤️

“ Our deepest sympathy to Betty and family. We have missed seeing you at church and we miss the subparish get togethers we had each Christmas for so many years. Bob will surely be missed. Prayers for Betty and family as you share your memories and celebrate Bob's life. Be comforted in knowing his Lord and Savior has called him home.

“ Our deepest sympathy to the family. Let the Blessed Mother wipe your tears as her beloved son Our Savior Jesus Christ called Bob home. My fondest memory was when Bob traveled with his wife Betty. He stopped for a surprise visit at the home of my Dad his Uncle Joe. My Dad and mother expressed so much happiness and joy from that thoughtful and loving visit.

John 14: Do not let your hearts be troubled. You believe in God; believe also in me. My father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you? And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am.

You know the way to the place where I am going." Amen

Joyce Merritt Liguori and Family

“ Bob was the kindest, sweetest man who adored his wife and family. I'm so happy I was able to spend a little time with him and Betty in their beautiful home in Ga. I always envied their deep love, respect and commitment to each other. That was a marriage you knew would last forever.

I called him Spanky and his wife Betty Boop. They were always smiling around each other. They built a beautiful life together, with 2 wonderful daughters.

I hope he's having a beer with my dad and catching up with all of our family members.

Betty, you have my heartfelt sympathies. I wish you many wonderful and happy memories that will help you through this. My condolences to you and your family.

My Spanky took a little piece of my heart with him.

God bless and comfort you, my forever Betty Boop.

Love, Pat
