“ Mr. Robert Earl Oliver was known to me as just "Granddaddy".

He was my maternal grandfather since my mother was his youngest child/daughter of his 4 children he shared with my maternal grandmother, Reba Edna (Blankenship) Oliver.

Both of my maternal grandparents are with God now.

That thought gives me both peace and comfort in knowing that their physical bodies lay at rest altogether in the same cemetery with their children we all lost before their time, and their spirits finally joined together again on the silver city of heaven.

I miss you so much Granddaddy.

I think about all the time.

I know I'll see you again someday, that's true.

However, the loss of the time we could have had together here with me is what I am missing the most.

So much time was stolen from us while you were still here.

The only thing that gives me peace when those thoughts arise in my head is that I am going to come with a plan when I meet Arc Angel Gabriel at the Holy gates of heaven.

When my time comes, I'm planning to request immediate special time to be set aside so I can get that one-on-one granddaughter-grandfather time have been longing for!:)

You were a special kinda Granddaddy & I'll never, ever forget the wonderful, unique, & amazing things about you & your character that made you-you!

I love & miss ya Granddaddy.

I'll see you again one day soon!
