Parker and Carson, Brad and I are so sad to learn about the loss of your dad. He was a dear friend of ours. Tommy and Brad shared many good times together and Brad will always treasure those memories. I am so sorry that we did not know about this before today. Happy birthday in heaven Tommy Ross.

“ *My husband and I had the honor of knowing Tommy for over 15 years. He was such a kind and gentle man! No matter where our paths seemed to cross he always took time to talk and share his life! He was so very proud of Parker and Carson and absolutely crazy about his grandchildren! He shared with me once that he felt closest to God when he was alone with Him in the woods, in nature, especially early in the mornings! Tommy, I know you're walking now forever with our God in the beauty of eternity! Until we get to talk again, You will be deeply missed my friend!*

“ *I've known who Tommy Ross was all my life. When you grow up in Terrell county, you know everyone. It was not until a little over two years ago that I really had any interaction with him where I work. He always spoke highly of my daddy and on a Thursday, he would say, "hey y'all it's Friday eve!" I never saw him in any other attire than a black shirt and khaki shorts. He spoke of his children and grandchildren. He adored them and was proud of them and showed me pictures of them occasionally! That was Tommy Ross !*

“ Tommy was larger than life, he was good friend to me and I was same for him. We met at Tony's around 2006 and no doubt the man love tan shorts and black t-shirts!! It was his signature look. He loved to joke around and was always ready for a good laugh! Will miss u Tommy Ross, so sorry for our loss but was great to have known you and called you a friend.

“ I had the pleasure of knowing Tommy for 2 years to short. I will cherish the memories of spending time in the swing on the deck, watching the hummingbirds. He loved to watch the hummers. I will miss my "koda". He loved his family, he was their strength. Now they must go on and keep his memory alive to share with their children. You all will be on my mind at this sad time Parker, Carson, June, and your families. Respectfully, Annette Andrade.
