“ *We just heard the news about this wonderful man who came into our lives back in the Jacksonville, Florida years. He was responsible for bringing us to Albany, and for that we are truly grateful. Spent many years as friends and neighbors with so many good times. He made the best bbq ribs, hands down! Rudy will be missed by many that he allowed into his life. Our sympathy to the family and friends. So sorry we were unable to attend the services. Rest in peace, dear friend...until we meet again.*

8/17. So, so sorry. Just heard the news. Rudy and I were very close for many years. As former neighbors in Jacksonville, FL, he and Lori were one of the reasons Suzanne and I moved to be their neighbors in Albany. We moved out of Albany several months ago, but did go by to see Rudy last year and shared many memories. Lots of fun times on the river, and frustrating times as he took me to several really nice golf courses trying to teach me how to play golf. He was really good, and I was... well let's just say I was challenged beyond my capabilities. RIP my friend. Charles Westbrook.
