“ I am deeply saddened by the passing of Mr. Skipper. He was always so nice to me when I came into your lives. Mr. Skipper was a strong-willed man with strong views and expressed fierce love for his family in his own way. And, he would take time to either teach someone something or he would learn something from someone.

*I remember when we sat on the porch on rocking chairs and we would have conversations about deers, politics, plumbing, and future plans. Or when he would invite me to fix a plate at dinner, while he slipped the grandkids all types of candy.*

*He will truly be missed. I send my prayers and condolences to his family. There is nothing to make the pain easier besides to just hold each other a little closer and remember him. He is with us always.*

*Sincerely,  
Dwight Harris Jr.*
