“ *Carol, We are so sorry to hear of your loss. If there is anything I can do for you please Don't hesitate to call me. I am sure Cecil is in a better place, but that doesn't make your pain easier. May God comfort you during this very sorrowful time and hold you close. Love Mary and Bill Young*

“ I am so very sorry for your loss. Cecil was a dear friend and colleague for many years. I can still hear him say, "Now, I'll just tell you, Miss Donna..." He taught me much about sales and could always make me laugh. I pray for your peace in knowing he is out of pain, and that you will hold your memories close.

“ To Cecil's Family: Words cannot express our heartfelt sympathy. Cecil was a loyal Account Executive for our firm for more than 35 years and he made countless friends all across this great state of Georgia in serving more than 40 Chambers of Commerce. He will be missed and remembered as a true "legend" in the industry. I also knew Cecil early-on as a friend and teammate at Albany High School.— His positive attitude and caring demeanor made him popular with everyone he met...Cecil loved his daughters and family more than life itself...And of course, his Georgia Bulldawgs! ...RIP my friend.
