“ To the family of Bobby Wages, He was our neighbor as well as a friend. I wanted to say we will miss Bobby very much. If we ever passed each other going or coming home he would always stop and speak to me and my daughter Casey, whenever he saw us he would mention his granddaughter and show us updated photos and go on and on about how much he loved her. He talked about getting a swimming pool so the two girls could go swimming together this summer. I will miss the conversations we had just sitting in our trucks, even though they may not have lasted but just a few minutes. Bobby Wages was a good man and had a big heart. Please know we have a heavy heart for you the family of a man that will be missed by many. Please accept our deepest sympathy,
