“ *Always a friend. I operated "The Fireplace Shop" directly across the street from his business in 1980/1994 (Flood got mine), and when I worked the FairGrounds event I had a sign sayin "Fireplace Shop-Across from Bob White rents". Everybody knew where Bob`s was at and one day Mr Bob thanked me for the advertisment. He will be missed. A good man. God bless the family...Leo*

Thank you for being a wonderful big brother to my late mother Kay. She only had kind words for you.

“ *White family*
From the time Cheryl and I were at Palmyra Elementary School, Bob and Eloise were there supporting their children. What a smart, fine family they have been!

“ Mrs. White and Family,

I was so sorry to hear about Mr. White's passing. I've known him for many years and will always remember him as a kind and gentle man who always had a few kind words and advice he would give me not to mention a few good laughs along the way. I will always remember the talks we would have about being in the Air Force and the travels and experiences we had while we we're in. He will be missed. If there is any thing I can do to help in this time of sorrow please give me a call.

“ *Uncle Bob was married to my Aunt Eloise for over 50 years. I remember them coming over to visit on Sunday afternoons after church...and invariably Uncle Bob would fall asleep in his chair while the ladies of the family talked and talked. In later years, after I grew up and came back to visit family in Albany, I would be the one to visit him...I didn't fall asleep, though, because by then I realized how much he had to say that was interesting and fascinating. He took care of my aunt as her health declined - a long process. After she passed, he was lucky enough to find Alice. They seemed to be a very happy and loving couple; and when Uncle Bob started to decline after a stroke (in his 90's) she took care of him just as he cared for Eloise. What a lucky man to have had 2 such loves in his life. Uncle Bob, you will be missed!*

“ Soon after establishing my Orthopedic Surgery practice in Albany in July of 1966, I have the opportunity to discuss the prospect of obtaining medical equipment for my patients with Bob. He assured me that he would do everything he could to make sure that those needs would be met.

Throughout the years until I retired in 1998, he and his staff kept their word, never failing to have in stock an item or obtaining it expeditiously. Not once did I have to call him back to issue a complaint about the service he and his staff rendered.

In time, Bob and I met each other on a social basis, including some time we recently shared during his and my recovery time from Orthopedic procedures. In doing so, we became even better friends than we had been during my active practice years.

Bob was truly a nice man and I will miss him.

“ Mrs. White and Family,

I was so sorry to hear of Mr. White' passing. Both of you were good neighbors to my mother for many years and I will never forget your generosity to me when I lost her in July 2010.

Mr. White certainly fought a gallant fight and gave it all he had to the end. I know that he was so appreciative of the constant devoted and loving care that you gave during these last years. You are the living example of a totally dedicated wife.

I'm not in Albany as much as before, but when I am, please let me know if I can help in any way.
