“ Dear Jean and family,
Thinking of you at this time with love and prayers. We know that you will miss him terribly, we sure will. I will never forget Bob rubbing his shoes across the carpet in church to shock me. He was very special and will be greatly missed. God Bless. We love you.

“ My name is Kevin Sproul and I have been employed with the Dougherty County Sheriff's Office for the past 26 years. I am grieved to hear about the passing of one great trooper in Bob Wolfe. As a young Deputy in my early years, I looked up to Bob as an outstanding role model. Bob was such a great example of what an Officer should be and act as, while on and off duty for the younger less experienced officers. Bob played the game as it should be played and will be remembered for his tireless dedication to the cause of keeping Albany safe for all citizens. I know that you miss Bob very much, but let all of the good times about Bob fill your memories. Remember God loves you and allowed you the opportunity to know one of His great warriors and one day we will reunite with him in a much better place. Love in Christ - Kevin Sproul

“ Dear Wolfe Family,
I will always treasure my memories of Mr Bob from the days of his teaching Sunday School to me as well as all the help he gave me in Little League baseball. I still remember playing golf with Mike, my Dad and Mr Bob. What great memories. Heaven has another Saint today and my Dad has another friend with him. I praise God for the life of Bob Wolfe.

“ Dear, Jean, Debbie & Mike and Family
I just want to say that your husband and dad left a great impression on me and that he was dear to alot of us at Putney. I can remember him having peppermint candy and handing it to the children as they would pass by him. He loved to pick and have fun. The greatest thing is that we can rest assured that we will see him agian and he is waiting on us to join him one day. My thoughts and prayers are with you all and I love you all. Lisa Burt
