“ Sleep peacefully sweet lady. I got the pleasure of meeting you 19 1/2 years ago when you came into my baby sister life and adopted her. I saw you years after that at and you told me about my sister and sweet Madison. I thank you for your love you gave to Mariah from birth until this very day. You was an Angel on Earth and I know you're one now. I don't know you that well but I loved you as if I knew you all of these years because you Love my baby sister. I've searched for you as I got older and became a mother myself because I love my children so much and I thought of you because you adopted my sister and I wanted to tell you thank you for loving her. Thank you for being her Mother. Thank you for choosing to Adopt her and not let her go anywhere but where she got nothing but love. I have so much to tell you thank you For. I had no clue you passed I could never find you I searched for years when I got older and I ran across your obituary. May you Rest well and know that you did a wonderful job.
