“ *You exemplified strength and hope to people throughout the nation. With such adversities dealt you- You overcame. You have earned a great reward with God and we all know you have made a difference in many peoples lives. I know it must be a great sight to be carried on Angels wings to be with the Lord. What a time to be called (On Jesus Birthday). God bless You and Yours in this stressed time. Hang in there. If you need Gods help - just ask and it will be done.*
