“ *Our deepest sympathy to Roland's family. Roland was a great friend during our childhood; we loved playing basketball. And though our paths rarely crossed as adults, I still thought of him as a special friend. He will always bring a smile to my face when I think of years gone by. A good man and a good person.*

“ *My thoughts and prayers to the entire family of Roland. He will be remembered by the MCLB employees Roland worked with on base. His dedication to the Marine Corps Base was a true testament of his character.*

“ *Our hearts go out to CiCi and family.*

The Spirit helps us in our weakness. We do not know what we ought to pray for, the the Spirit himself intercedes for us with groans that words cannot express. And he who searches our hearts knows the mind of the Spirit, because the Spirit intercedes for the saints in accordance with God's will. (Romans 8:26-27)

“ *What a privilege to have known Roland. As a colleague he was unsurpassed in his work ethic, dedication and devotion. As a customer of multiple household goods moves to/from Albany, his keen attention to detail and protection of our effects was nothing less than superb, professional, and greatly appreciated. When golfing, his enthusiasm and love of the game was undeniable. To count him among friends, a blessing. May your warm and loving memories sustain you as God begins to heal your hearts.*

“ *Cecile and family, I was so sorry to hear about Roland's passing today, I enjoyed working with Roland for several years he was so devoted to his job and to our office as a whole I greatly admired him for all he stood for. He talked so much about his family and was a very proud grandfather. I will miss him. Please let me know if there is anything I can do.*
