“ *To Mrs. Annabel Velasquez and your family, I had just recently met your husband in June here and he was a man that was going to do a lot to change the housing here in the city of Albany Ga. I pray that God will send his comforting angels to comfort you and your family at this time. Your husband talked greatly about you and his children, I don't know you personally but by the way he talked about you I think that I do. Praying for you and your family always.*
