“ *I worked with Ronnie 23 years doing the same job mostly in other counties in southwest Georgia. We were together a lot working and traveling to schools. We went to many training sessions in Atlanta, Lake Jackson FFA camp and Waycross. Stayed in cabins and motelrooms together and ate in restaurants and schools together. He was like my brother and we shared many happy times and a few tears. I told Ronnie a couple of years ago how much I appreciated the things he had done for me and I am so glad I did. He will always be my FRIEND!*

“ *Loved his sense of humor and his outgoing personality. I can still see him and my Uncles sitting around Ma Ma and Pa Pa's table laughing and having a good old time. I remember going to his house once for a fish fry...it was the first time I ever had fish with grits. Prayers for all the family in the days and weeks to come and hugs to all.*
