“Ronnie was one of the best brothers in the world. Never did he refuse me when I asked for a favor; be it a ride somewhere or to help me rehab a rental home. He would work all day on a Friday then drive over 180 miles to Doraville and work ALL weekend and drive back home to Albany on Sunday afternoon. He did this for months! He loved to fish. He always wanted to catch a big one. He loved to walk in the woods and watch birds and squirrels. He was a good guy but so shy he could never ask a girl out. I know he is in Heaven with our parents now. He is out of pain and can enjoy the company of his friends and family who went before him. I will miss him so very much. When I went on trips and was in the outdoors I would comment to my friend, 'Ronnie would love this!' Well, he can look down on everything now and see it all and enjoy the beauty of the Earth that God created. Rest in peace Brother. I love you and miss you.
