“ *Our thoughts go out to Ronnie's family at this sad time and wishing you all the strength it takes to get through these difficult days.*

*I first met Ronnie while working at Phoebe Putney hospital back in the 70's and through his friendship with my son Richard.*

*It was always a pleasure to see him around town or at the first football games in the Civic center. Ronnie always had a great outlook on life and a warm Hello for anyone he met. It was also a great kick just to see his decked out party car around town.*

*Ronnie will be greatly missed by all who knew him and Albany will be a little less bright without him around town.*

“ My Thoughts and Prayers are with the family and friends of Ronnie during this very difficult time. I've known Ronnie for as long as I can remember (thanks to Richard and my Dad ) and occassionally our paths would cross when we would be out and about. Whether it was at Cracker Barrel, Lowe's, P&G Family Day or some other place it was always nice to see him. He always had a smile on his face and a kind word. Ronnie would always ask me how my dad was doing and to tell him hi. He would often tell me how he had met my dad at Phoebe Putney back in the early 70's and how they became friends. I Pray You Feel God's Strength and Loving Arms Around You now and in the days ahead and that eventually your sadness will be replaced with loving memories of your times together. Again, Please Accept My Deepest Condolences.

“ My thoughts and prayers with the family. I have had the pleasure of working with Who'ee for at least the last 15 years. All phone conversations, but I felt like I knew him. Such a great personality and a true dedicated worker. If ever I was at loss with anything, he would jump to help me. Some days, he would laugh and tell me he was screening his calls, because I drove him crazy. He will be truly missed.

“ *Cindy and family, I am so sorry to hear of Ronnie's passing. Please accept my deepest condolences. Having known Ronnie since we were teenagers I will cherish all of our memories. I was always glad to see Ronnie around town and we would catch up with what was going on in our lives. It was great to have the "Bros" (Ronnie, Jerry, Bob and me) get together at Jerry's house in SC and remember the stories from our high school years during a "bros" weekend and then again when we got together with Cindy and Susan for the "Three Dog Night" concert here in Albany and listened to some of the music from our high school days. Ronnie will be missed by all who knew him!*

Cindy,  
Doreen and I are deeply saddened to hear of Ronnie's passing. Have a lot of great memories from St Teresa's with him. He was always positive and had such zeal for life. I can't remember one time he was negative about anything.  
I'm sure that there is a lively discussion going on right now with him and Papa Dino about the best clown or how much garlic to put into the pot. You guys will be in our prayers.

Bobby / Doreen Hooper.

*I just do not know what I am going to do without having you in my life that I can pick on and cut up with. God truly knew what he was doing when he put you in my life, your sister, your brother & brother-in-law (all from Columbus). Words cannot express the blessings you had brought to each of us, we are truly grateful. We will keep a check on Cindy and do anything for her that we possibly can. My dear brother you are loved and will forever be missed. Keep the light ON for I will see you again one day, Love always your sister, Barbara*
