“ *There is not a day that goes by that I don't think of you. I dreamed the other nite that you called me and told me that everything was going to be ok. I hope you are right. I know you are with Patrick in everything he does but I still go to dial your number every time he does something for the first time or something special so that I can share it with you. It's not fair that he has to grow up without you.*

“*Ronnie, although our friendship was casual, you were a true friend indeed. You exhibited all of the qualities that I respect and admire in people. I will miss our conversations about fly fishing, NASCAR, and will miss your pleasant demeanor that was so characteristic of you anytime I saw you at the shop. It was also very evident, through our conversations, that you were an extremely proud father. Your family will continue to be remembered in my prayers. I am especially thankful Ronnie, that you had Deborah at your side, for the length of time you knew each other and especially during your illness. You will be missed by all so very much but I know the Lord must have very special plans for you in his Kingdom.*

“ Met you only too short a time, but Ronnie we saw a difference in Deborah that no one in her family could believe. You changed her in her heart. She never thought she would find true love and was never worried about it. SHE DID. She now knows what that is and as her sister I thank you for giving that to her.

“ You were only with my family a short time, during that time I and my family came to love you. You'll never know what a difference you made in our lives. We never thought Deborah could love someone outside the family like she loves you. You have to be the most special person in the world. Ya'll brought Patrick to visit us several times and spoke of Matt often, if it's any comfort they both have her heart and her lover forever for that is the person that she is. She always said that you can tell the man by the children he raised. We will do everything in our power to help her take care of your boys. We love her and know that only a unique person could fill her up with love the way that you have and obviously always wil. I am like her mom but only her oldest sister but that in our hearts is the same thing. We love you,
Ronnie

“ Ronnie,
I will always remember the times all of us spent at the Dixie & all the years we worked together. Truthfully some of the best years I have had (at least the Dixie part). You were a great person, and you will definitely be missed.

Debra, and all the family, my heart and prayers go out to each of you.

“ I was totally shocked when Brian came by the house and told me Ronnie had passed. Growing up with the Dollar family as a teenager was some of my happiest moments. Ronnie will surely be missed but we know he's with his parents now. Robert, Chris, Joyce and Johnny, you will be in my prayers. Put faith in our Lord and take it one day at a time.
I love ya'!!!

“ Matt, there are not words to express my condolences. I was so shocked when I found out this morning. Your Dad was a great person and a very giving person. He loved you so much and was so proud of you. It had been a while since I had spoken to him, but I am so sorry I did not call him on his Birthday. I was on my way out of town and thought to myself I need to call him that day. We used to joke around about him turning another year before me and that I would eventually catch up. You and your family are in our prayers.
