“ *To all the family and friends of Ronny,*

Please accept my deepest sympathy on the passing of Ronny. I know he will truly be missed by all that knew him. I met Ronny when I got hired at P&G so many years ago. He always kept us laughing with his funny stories. He was always willing to lend a hand whenever I needed one. He was truly a great man. I pray that God wraps each of you in his arms and gives you strength during the difficult days ahead. Ronny, May you Rest In Peace.

“ Although your work on earth is done,
Your life in heaven has just begun.
Your struggles here were hard and long,
But they're over now; you're finally home.

*Life wasn't easy, by choice or fate.
A decision made, sometimes too late.
A fight to the finish, always strong.
Rest easy, Ronny, you're finally home.
You'll be missed.

Ronny you were the best man at my first wedding and Kathy my maid of honor. You were a good friend back then and although we didn't see each other often throughout the years you were still a good friend and I loved you. Rest in peace my friend.

“ *Oh my Papa, how I will miss you. There was never a single time from the day I met you until the last time I saw you that you didn't embrace me in a giant hug and tell me you loved me. You always made me feel special, like I was one of your family and I appreciated that more than I ever found the words to let you know. I will carry my memories of you with me always and I will be thankful that I was lucky enough to have someone as special as you in my life. Rest well sweet man*

“ Where do it start?? 15 years ago or later? Lol You are my best friend, Brother and became a Dad. You always told me you would never be my dad your would be my friend. But.... I will never see it that way. You have been an inspiration on my life more ways than one. I was selfless. Even know your not my kin. But I had a big feeling in my heart that I could not let know. I know you!! But I seen reality. And I didn't think I could deal or live with the outcome. I had to get past the tears an am not still past them. I love you Ronny! And I thank you for everything! For coming back to my mom after almost 40 years ago . Lmao(damn y'all old as hell) lol Loving her and our buddy. You are the greatest man I have ever known!!!!!!!!!!!!!! And I have your back like you have did for all these years.

“ This is very sad news. Condolences to all the family. Ronny was always fun to be around, always had a joke, and tried to make you laugh. Not long after starting at P&G we became good friends. Job changes put distance between us as time went on, but he was always the same person every time we would meet. He will be missed.
