“ *Words can neither describe nor heal the suffering hearts of all of us who love and care for NONNA. Nonna was not my biological grandmother, however she always treated me as one and called me her nipote. Nonna was a wonderful, caring, STRONG, beautiful and comforting woman whom I will NEVER forget. I will especially never forget her excellent trait of cooking and how she loved it when I tweezed her eyebrows. I even had the privilege of dying her hair once. We had fun together, she always made me smile and laugh because sometimes I couldn't understand her Sicilian and vice versa. I wish I could of done more for Nonna as well as spent more time with her. I love her and will always in my heart remember her. The WHOLE family is in my prayers as well as in the thoughts of the Prayer Group at ST. Ignatious Church. God Bless*

“ TO MY FAMILY

First i would like to say it has been and will continue to be an honor to carry nonnas name. she was a perfect person indeed and it would be extremely difficult for any one person to ever walk in her shoes. Nonna raised seven children one just as specail and as full as love as anyone could imagine. i know that i will miss her so much but i also know that i will never forget her for two reasons one because of the beauty of her love and two because of that same love that shines through all of you. and that is one very important part of her that will live forever!

“ My heart goes out to each of the family members for their loss. Especialy to Giuseppe for he has lost a very precious person. Though I have only met Rosa a handful of times, I have been a friend of the family for many years and know that the world has lost a wonderful person. Thanks be to God for taking her home and relieving her of her pain. May God be with all of the family through this difficult time.

“ I am so grateful for the gift of life that you brought not only to your family, but mine. Had it not been for you, none of us would've had these precious grandchildren that we have the pleasure of watching grow every day. I thank you so much for the gift of Kameron who is such a joy to everyone. Without you, she would not have been possible as would none of these children or grandchildren.

I am grateful that God has intervened, and taken you home and you no longer have to endure the suffering and pain as you have for so long.

Prayers to the entire family.

*With much love,
Pat Thompson*
