“ *I just wanted to give you my condolences for the lost of your loved one. We have all lost a loved one in death and during this trivial time it can be very hard to endure. One way that I was able to find comfort was through God's word the Bible. God makes a promise to us that at Revelation 21:4 no more pain, sickness, or death will be anymore. God is not a lie so we know that his promise will come true for all. If you have anymore questions please go to [www.watchtower.org](http://www.watchtower.org) for more information.*

“ Growing up, I wished I could be more like my big sister. She was  
smart and athletic, leaving the nuns to assume that I was like the  
sharp basketball player on St. Rose's team! This shook me up at  
first, since I had never even won a game of Monopoly with her!  
What big footsteps. Always competitive, she took to enjoying school  
and professional sports when she quit playing, and I still don't know  
a touchdown from a homerun! Now, I admire her even more. Like  
our parents, when it was time to go, she went without fanfare. It's  
hard on those left behind, but I hope that I will have the wisdom and  
grace to do likewise when my time comes.

“ Dear cousins: I was surprised to hear of your mother's passing. I  
especially remember all the summers she spent with her cousins  
down east until she graduated from H.S. She did so many wonderful  
acts of love for you all!!!!!!  
A Mass will offered for the repose of her soul in my church.  
I wish I could meet all her family, but I trust you are all as nice as  
Bob & Eddie. sincere condolences, cousin Jean and Msrie.

“ *Rose was such a joy to take care. She was always smiling, never complained about anything and always put a smile on my face. She loved her family and they loved, supported and encouraged her throughout this illness. It was a privilege and a pleasure to have been involved in her care!*

“ I am an assistant for Dr. Aderhold. I wanted to express my deepest sympathy to the family of Ms. Rose! She has been my favorite patient from the day I met her. I loved how ornery she was that 1st day. She kept that spunk, that fire, throughout her journey. She was someone who loved her family more than anything!! She also had such a great love for others. I will never forget all of the wonderful things she did for local schools, loved ones, and our office. She amazed me (all of us) with the things she and Patty crocheted with such ease, speed, and love. She will always be in our hearts and thoughts. She loved you all so very much!!! And that was what made her such an extraordinary person!! She made an impact on so many people who you will never know. But we all knew you through her stories. Good night Ms. Rose. You are loved and will be missed!!
