“ God be with you all.
Rosemary has been so wonderful and
compassionate to all of us. She welcomed us
immediately to the parish and treated us as
family. Her time at Neighbors in Need/St.

Clare's was an avenue from God's heart to those in need. The
motorcycle rides she took for the center, the many different ways
she invited all of us to be a part of this special ministry; her love for
the Church, the parish and just everyone shows the depth of her
intimacy with God.

You could have come from dinner with her but as soon as you came
into her home, out came the food and something to drink. Her
energy and her perspectives were well founded in love and reality.
Her smile and the look she could give peering out from her glasses
was truly her hallmark.

We will truly miss her and hope that you all remember all the
wonderful moments you shared with her.

We love Rosemary and know she is with God and John and Minnie
and everyone.

We send you our love and prayers.
