“ *I'm so sorry that I didn't hear of your mother's death until after her funeral. I heard about it at Mass on Sunday. I first met Rose when my husband, Jerry, and your dad were in convert class together. I've seen Rose in Gayfers since I shopped in the toddler department for my daughter who is now 29. She always smiled and asked about my family. I'll miss seeing her at Mass on Saturday night.*

“ Thinking of you! Karen, it has been a long time since Girl Scouts days!! Your mom and i would often talk at Gayfers/Dillards about those days and the days we worked together at Gayfers.

“ gary,karen and family...we were so sorry to hear about your mother. "miss mitchell" was loved and known by so many people. she was such a dedicated associate with gayfers/dillards for many years. from day one she was known as "miss mitchell" to everyone that knew her and worked with her. we shared several funny stories today at work about "miss mitchell" i hope to share some with you at visitation. she always talked about karen and gary and how proud she was of both of you and your families. i know that she is in a good place and at home with your dad and brother..what a great reunion they are having
