“Gloria, we are so saddened to see the passing of Roy but are rejoicing knowing he is in heaven with our Lord and free of pain and suffering. You both were very special friends and we share many years of funny and happy events that will be with us always. As we talk to friends, everyone says the same thing.. There will never be another Roy Parrish. He could make you laugh until you couldn't breathe. This was so true. You could not be in the presence of Roy and NOT laugh. The last time I saw him in the hospital, he had me in stitches reminiscing our memories together. As heartbroken as we are, we know we will see him again someday and I know that heaven is rolling in laughter since he arrived. Please know we love you and our thoughts and prayers are with your family..

“ *Roy was one of the finest men I ever had the privilege of knowing. He was kind and hard-working - honest to a fault. He was also the best boss I ever had. My heart and prayers go out to his family. I am saddened greatly by his loss, but I also know that he is in a much better place and is not suffering anymore. May he be at peace in the presence of our Heavenly Father.*
