“ Dear Betty Jo and family, Growing up right down the road and visiting with your family was so special. Just seems like yesterday we were riding the bus and going to school in Ochlocknee. I spent so many nights with Peggy Dollar and went to several family reunions I thought Aunt Follis was my aunt too.
It was good to see Rodney at our Ochlochnee lunch and hope next time to meet Nancy. Miss Lonie was always so sweet to us.
Betty Jo take care of yourself and remember all the fun times. When you come to Fran and JL's, please call so maybe I can run over to see you.
Much love, Dotty Bulloch Thompson

“ Heaven is a sweeter place today with the presence of my friend, my fellow Gideon, and my brother in Christ. Roy Pippin was one of the most dedicated Gideon I have ever met. I owe him big time for coming to Thomasville every Saturday Morning and every third Thursday for eight months. Roy was our training leader. He taught me as well as many others, how to be a good Gideon and how to do the work of a good Gideon. He was my hero. He was my mentoir. He was my father of the Gideon faith. I love him dearly...Yet even as great as Roy was, his sweet wife, Betty Jo is even greater. When Roy got where he could not drive, Betty Joe would drive him where he needed to go. And when he got where he could not travel, Betty Joe would go in his place. I never had the priviledge to meet the children but I can tell them this, You had a great daddy and Betty Jo, you had a great husband....

My Prayers are with you y'all...
