“ When I met Larry in 1971, Tal and Ruby and Larry and I had a lot of good times together - fishing, fish fries, dances, and whatever. After Tal and Ruby divorced, we continued to stay in touch.

Ruby was a very talented person. If I needed to know how to do something, She usually knew how.

I am so glad that I went to see her home in Grady Co.

Words are never enough in a time like this, but I'm here if you need me.

“ I am out of town but heard from Kathy about Ruby's passing. What a shock. I knew she was having surgery but was not aware it was so risky. She was always such a good friend to mom and I always felt like all of us kids were related in some way because of their long time friendship. I know all of you will have a struggle knowing you cannot pick up the phone and get your mom at any time. All of you will be in my prayers. Susan russell

“ I have the most wonderful memories of Ruby. Can't remember a time she wasn't part of our family. Thought she was my "real" aunt until I got grown and then still considered her family. My Mama loved her like a sister... I am so very sorry to hear of your loss. She had a very big heart...
