“ *Rachael and family, I want you to know how shocked I was to hear of Russell's passing. I have been praying for all of you that God will continue to give you His peace and comfort during this difficult time. I met Russell through Roy Goodson, who was my boss at the time. I always enjoyed talking with Russell whenever he would come see Roy. I know your comfort is that he is home with his Saviour. God bless you all.*

“ Dear Rachael, Dave, Travis & Paul, You are in our prayers during this loss of both Mrs. Holland and Russell. We can reflect on times our families shared together. Some of the happiest were with your kids, watching them grow (and the antics they would pull) we would laugh until we were breathless. You may not even be aware of this, but last year when Ray & I moved, we ran into Russell at Lowes and he gave us some much appreciated advice on a home repair. We were so grateful that he was in the right place at teh right time. Rachael, you can be so proud of the job you & Russell have done. You have raised 3 sons, by the grace of the Lord. Your sons also love the Lord and are successful young men, with beautiful families, that are raising their children by the example you have set. God bless you.

“ Dear Branch Family,
God is with you every step of the way. I know that my Grandmother, Lillian Willis, and Mr. Russell are enjoying seeing each other again. She has always cared and loved each and every one of you. I was so glad that I saw Mr. Russell a while back during his good recovering days and we hugged and exchanged a few laughs. He seemed to be himself no matter what was going on. I can honestly say there will be good days and bad days. Take one day at a time and cherish the moments you had. You will see him again in Heaven. My love and thoughts are with you all. Love, Cathy

“ Rachel, Dave, Travis, Paul and family:

Russell will always stand out in my mind. He stood up for what he felt is right. He cared for all of you, first. He directed many lives with his leadership, Eric will always remember the many weekends together with the guys, RA camp outs, RA models racing, Fishing, Hunting, Laughing together; enjoying life and love ones. I will never forget Russell tell me that Eric was riding a horse on the weekend. I was shocked. Eric had not said a word to us. Wayne and I and Cassie always looked up to Russell, admired him. He is strong in his faith in God. He led us by role model. He is super. I know he will continue to be with us each moment, he loved us as we love him. He will never leave us. You all as his family know that he will always watch over you all, love will keep him strong in your hearts and everything that you do, Russell will be a part, never leaving you. A close bond with one's family is the best life anyone can have. As part of your Church family, I feel that bond is now a softer touch from Russell but still there.

Know that we love all of you all. Your loss is our loss. No greater gift than the love God provides through family and friends. God is our strength and our relief.

We love you.

“ Rachel and family, Russell will be missed by all. We all have our special memories of times shared with Russell. Terry and I are no exception. We will cherish the memories of times spent cooking pork skins, curly fries for raising money for Lions projects, times when there to share encouraging words in the loss also of loved ones, being there as a friend when you need to talk to someone. Rachel I cherish our memories together off on fishing trips during our younger days and being there for Delores and I for our wedding. Rachel I know this is a double blow to you and family members, you have our deepest sympathy and remain in our hearts and prayers. May God be with you and comfort you and give you strength in the days ahead.
