“ *Ed, I grew up at 2100 Lullwater just a block or so from the Lake and remember your Mother as always being so nice to all the boys that hung out at the lake. I am sure you will miss her.*

“ *to the family of Miss Ruth, I am a volunteer with Paws Patrol, a pet therapy group that visited her at Morningside. She loved our dogs, especially my yellow lab, Hero. There is a wonderful picture of Ruth and Hero with the Christmas tree. I know her son has a yellow lab. She used to love telling us that she had collie dogs, and how much she loved animals. She was always beautiful, gracious and charming when we visited her. Ruth was a true lady, and we loved her. She will be missed by our volunteers and all who knew her. Marty Harris and Hero*

“ Ed, I have fond memories of growing up around Lake Loretta. Your mom was like a second mom. She knew how to spoil your friends. She will be missed. My prayers are with you, Jane and Sam. God bless.
