“ My deepest condolences Arleen, Vickie and rest of the family. I am not sure if you will remember me or not. I worked with your Mom at JC Penney for many years before leaving GA and moving to TX. She was always so much fun to be with and we kept in touch via mail many years. In fact I did my best to go by to visit with her when I got back to Albany. I have many happy memories of her and will always remember the friendship that we shared, even though unfortunately we hadn't been in contact for several years. She is remembered with great fondness.

Love,  
Bobbie
