“ *Dear Sandy, Donna and Lisa: We knew both of your parents when we were at Arlington United Methodist. We sang in the choir with Ben. He worked hard with Steve with Methodist Men functions such as selling furniture and fruit-apples and oranges and grapefruit. I was the one who mailed him holiday and thinking of you cards throughout the year from the United Methodist Women. Ben in turn would send us a note or cards. I always enjoyed reading them. Ben's greatest asset at AUMC was his involvement with the missions program. Whatever he was involved with he did 101 %. Guess the last time we saw him was at your Mother's funeral. Elizabeth was also a loving and caring person, even when she did not feel good. Our thoughts and prayers are with you girls and your families. Many of those hard working people from AUMC have gone on and I am sure will greet Ben. The Trues, Wisemans, Bill Roberts, Peg Nash will be at heaven's doors and they will all be singing in God's choir. Our best to all of you.*
