“ *Sandra was like a second mama to me as Maria and I were best friends in high school. I spent many nights and ate many meals at her house and when we graduated, she let me rent a little trailer with Maria in Albany while I was in school there. She was a very sweet lady that loved her family and their friends!! I know she will be greatly missed but I'm so thankful for the promises of God that we will see her again!! Love and prayers for all of the family!! My heart goes out to each of you!!*

I remember Sandra from our high school days in Warner Robins as a quiet, sweet girl with a beautiful smile. We lost touch when she moved away but her classmates never forgot her. Praying for comfort for her family.
