“ The times that me, my mama (Vicki) and my Aunt Sandra spent together is some of the best times in my life. I could always talk to her when I needed a friend. We were there for each other through both of our hard times and I believe that Sandra knows what I am refering to. She was my dancing buddy and a wonderful pearson. We sure had many a Friday night's together getting a little to excited on the dance floor and I will miss her for all that she is. I love you Sandra and we WILL dance again.

“ I will miss my Aunt Sandra more than I can express in words, she was a wonderful aunt and a great sister to my mama. She let me get away with things my mama would not, she knew this and it was our secret. We had fun! Connie and Cheryl ya'll know what I'm talking about, yeah, them good ole days! I loved her dearly and I know she loved me because you did not leave her house or she leave yours without her hugging you and letting you know how much she loved you. Not many families are like that anymore. I feel privileged that Sandra Bayhan was a part of my family, and I will truly miss her dearly. I know in my heart that my Aunt Sandra line-danced her way thru them pearly gates into heaven. Shanda Miller

“ Sandra became my sister-in-law when I was 5 yrs old. Legally, she remained that until I was 21. Personally, she was, still is and always will be my sister-in-law. I loved her dearly. She was the mother of 2 of my 2 nieces and my departed nephew. I've too many memories to share here. She will remain in my heart forever. I love her and will miss her even though I didn't get to see her often. Cheryl & Connie, I love you. Although I am not there physically be sure I am there in soul & spirit. My heartfelt sympathy to the Johnson family & especially to my other sister-in-law, Shirley. Please know, I wish desparately I could be there with you. I love you all. Carolyn
