“ Jon,

I was saddened to hear of Bab's death. She was truly a special person. My husband and I always felt like Babs was a real part of helping us keep our children healthy - especially during those childhood years when they stayed so sick, and we just didn't know what to do. I can even remember calling her at night with questions. She was always so kind.

I know that this will be a tough time for Jordan, I'll keep him in my thoughts. He's such a neat kid!!

I always enjoyed working with her on your home and auto insurance - she was always on top of things, and so easy to work with.

She will always hold a very very special place in our hearts.

Please call me if you there is anything I can do for you.

“ *Babs lived across the hall from me in Brumby Hall our first year at UGA; then down a floor from me at Brumby our second year. What a friend! I adored Babs! We stayed in touch over the next few years, but had not been in close touch the past few years. I was shocked to read her obituary heading in the UGA clipping service. Jon, Adam, and Jordan, my thoughts and prayers are with you. Your wife and mother was one of the kindest and dearest persons I have ever met. God bless you. And, Babs, thanks for the memories . . .*

“ *Babs will live in my heart forever. I have so many wonderful memories of playing in the play house, dressing up Shorty and feeding the rabbit on New Street. We lived side by side while our parents built new houses and "Miss" Annette always cooked the best chocolate chip cookies for us. One year we all bought coveralls to wear to the fair from Macy's. Babs always had a smile and kind word for everyone, may she rest in peace.*

Carla and family,

I know this is a very hard time for you all, but you have been faithful to Babs in this life as husband, sons, and sister. Babs was a true friend to all who had the pleasure of knowing her. I can still hear her laughing at something silly or funny we did when growing up. I'm so glad Becky and I got to see her one last time and tell her how much we loved her. Your family is in my prayers. Remember the good times you shared with her. She was one of a kind.

Love,
