“ We are all saddend by the death of Mrs. Sara. We have very fond memories of the years she and her family lived in Carrollton and especially this time of the year when the Azaleas are blooming so pretty around the mobile home she set out while living in our park. Her family are all in our thoughts and prayers during this difficult time.

“ I Met the Buford family in the 1970's when they owned a house on lake Burton. we had great times and visits. Gary lived in our area. Sara and C R were loving parents that supported the kids. we shared time of easy living and fun without life's pressures of today on all of us now. My blessing to each family member threw the passing of Mother. The lake house sold and we have not visited in years but the memory of how we lived years ago are still present and treasured. we will visit again some day and enjoy the future and passed lives events as friends and honor of old friendships. “ Ronald, Bobby, Connie, Gary and Sarah's sister Shirley Brooks I am deeply saddened at Sara's passing. Sara was a wonderful lady. What great times I had riding horses at the farm when I was in my teens. I met Sara through Sara and Sirley's father, Riley Hortman. Riley was a hoot. This page is not long enough to tell everything about Sara. I will say that I was so glad I got to see her several weeks ago and hug her neck. God bless and comfort all her family.
