“ Great Aunt Cile as I called her, taught me at a very young age about "penny stock." I always thought she was the smartest person! I spent a great deal of time with her, Maxie and my Grandmother Doris Harper. She will be missed.

“ ?Miss Hitch? (as we affectionately called her) was a very generous and kind hearted woman! I got to know ?Miss Hitch? through my Aunt Mamie Garrett, who worked for her for many years. A great voice has been silenced and a beautiful flower has been taken from our presence. But ?Miss Hitch?s? precious memories will live on in our hearts forever!

Loving memories,

“ Aunt Lucile was a wonderful Aunt. Always the innovator, the person with the newest car, the latest stock market quotes and always ahead of time in using technology. In short, Lucile (the Harper's all call her, Aunt Lucile not Sara) Was just plain COOL.

“ Sara was one of the best attorneys in Albany; a woman before her time. She was professional, friendly and would stand up for her client. I consider my life better for having known her; she will truly be missed. Her family is in my thoughts and prayers.

“ Sara was one of only 2 female attorneys when I came to Albany 34 years ago. She was gracious and helpful to me as a young lawyer. I only served on one jury in my life and Sara was the attorney for one side. She was professional and a good advocate for her client. Our profession has benefited greatly from her presence. She also blazed a trail for the influx of female attorneys that have followed her. She will be fondly remembered. Bill Underwood
