“ *Ms. Sara was a dear friend. We worked together for many years at the CMS Clinics and the District Health Office on Jackson. My most treasured possession is a group of hand-written recipes by your mother that were some of her favorites. I have them in a notebook and use them quite often (especially her Strawberry Punch Bowl Dessert). She loved life, family, her Lord and others so much and cared about the children of Children's Medical Services. You are in our prayers during this time.*
